Early May and warm sunshine lent itself to a pleasurable afternoon of bowling on the Worthing Pavilion Greens. The Priory top rink was Stan, new man Peter and skip Roy on rink 5. The match itself was won on the strength of our two winning rinks who won by good margins, along with the tight matches on rinks 3 and 4 gave Priory a one shot victory.

Grasshoppers always supply a meal after their home games and today we were served up with good bowlers fodder – pasty, beans and chips. The result today narrowly went our way and we are already looking forward to another close encounter when we next meet at Priory in September.
