## MATCH REPORT

Not Priory's, afternoon between by strong winds and a better team on the day. Lancing mastered the conditions better than the home team, well done Lancing. Only ray of sunshine was another impressive performance by skip Chris Ide and his guys Steve Allen ( last minute sub). Prof and Derek Meechan, for Top Rink. It was a good all round performance. Thank you guys.

## MATCH REPORT

After much discussion with Steve Allen over the soggy rink, it was decided to play. The ominous black clouds hung around all afternoon, but we got through in the dry. I class it as a good solid performance by the Priory, with Marine pressing hard all the time well done to them for that. Top rink for the Priory was Prof, Steve, Jim and Chris. A good 8 points on the board. Well done Priory.

## MATCH REPORT

A solid performance by Priory, but not quite good enough. Adrian Wareham made his first appearance in a league side and acquitted himself very well for a first outing, considering how very little coaching he has received. Well done you, great showing.

Not the best show we've produced this season. But Priory kept going in the true spirit of the game. Which sometimes is the bigger performance, and today you all showed that spirit, well done to each of you. Thanks for playing and seeing it through.

A good solid finale to the season against a very sporting Maltravers team. A very satisfying way to end the campaign
