It is only early May and the Worthing Pavilion greens were playing as well as ever. The rain stayed away to promote a very pleasurable afternoon against the Worthing Grasshoppers. This is the 50th Anniversary year for Grasshoppers and they hve started their campaign well with a deserved win over Tarring Priory. Gasshoppers won on 3 of the 5 rinks. Eric Henshaw had top rink fro Grasshoppers and captain Joe Peters was Priory top rink

The result today went to Grasshoppers and we are already looking forward to another close but friendly encounter when we next meet at Priory in September.

Presentation of a 50th Anniversary 'Grasshopper' picture to Priory Captain Joe Peters made by Brian Martin the grasshoppers Captain and John Lowe who designed and made the commemorative picture.
