

## JULY 2018

### FIRST TEAM NEWS

Just one shot on the final end on rink 4 (7/7) in the WSBL 1 match at Bognor A changed what could have been an 8-2 victory into a 4-6 defeat. Such are the margins in reasonable quality club bowls. Holidays and other commitments forced Nick into major team changes but Priory managed 5 points (21) against Southbourne at home and creditably 4 points away (28/7) at Chichester.

### SECOND TEAM NEWS

We picked up just 2 rinks and 4 points in a hard fought match at home to Lancing (12/7). Our team went one better by winning on 3 rinks in the home match with Southwick Park (14/7), this gave us another 8 points towards our league total. Our fine run of form continued in the match at Shoreham (18/7), we won on two and drew on another rink making a 7 – 3 win, Ted Hood skipped the top rink of the day. In the match (26/7) against Lancing away sadly our return was just 2 points.

### FRIENDLY TEAM NEWS

July started well with a win over the West Sussex Tourists (1/7), many thanks are due to the tourists for providing us with a player to make up the teams. Our Friendly team maintained its magnificent record by completing a double (4/7) over Chichester with a fine 10 shot aggregate win at home. Wally Burrows and Ted Hood were our winning skips. The Pagham home match (11/7) was reduced to a 4 triples match, but our friendly side marched on with another fine victory, the score was 61-54. Unfortunately, the two scheduled friendly against Bognor (July and August) have had to be side-lined.
